

Hello!

I wanted to reach out to discuss your *self-pay status* for your recent visit to Warren General Hospital/Warren Medical Group. **I am here to discuss your options for assistance with these bills.**

Are you familiar with Medical Assistance (Medicaid) through the County? If you are eligible (based on household income/assets), *Medicaid could cover most, if not all, of your medical bills.* Coverage is retroactive for three months (applications are time sensitive).

Have you applied for Medicaid and were denied coverage? WGH has a Charity Care Program to offer. This program is also based on household income, but the eligibility threshold is much higher. *Based on your household income, you could obtain a 75%, 80%, or even 100% discount on your family's medical bills.* Coverage is retroactive for six months (applications are time sensitive).

I am here to help you apply for Medicaid coverage, and if denied, the Charity Care Program. Please see the attached forms. Please reach out with any questions or concerns or if you need assistance.

I am here to help YOU. Don't hesitate to give me a call or send me an email. 😊

I am available every Tuesday and Thursday afternoon and always available via email. Please call if you wish to schedule an appointment in person.

Do you have insurance coverage that we are unaware of? If so, please call the billing office and they will update your account. 814.723.4973 Option #6

Thank you!
